

Getuienisbediening Nuus - Oekraïne.

Onderstaande is 'n nuusbrieff en foto's wat Joseph gestuur het van die bediening by *The House of Prayer to all Nations* gemeente in Rakhiv. Ons gemeente is nou reeds vir meer as 20 jaar by hulle betrokke Lees ook die nuusbrieff van Shanna

Greetings in Christ dear brothers and sisters from La Rochelle Community!

I wanted to share with You some news from Rakhiv and from our community.

Life in Rakiv is running more or less well. Quarantine restrictions are rather loyal. Only in some public institutions, masks are required. I have heard only about few cases where people were sick with Covid-19.

We are gathering as congregations with no restrictions. Therefore, in this context situation is more or less stable.

We as a community are busy investing most of our time and effort in discipleship. For this purpose, we have small groups, individual meetings. This summer we also had one hiking tour in the mountains. It was three days route; we have covered around 40 km... It was a great and in many ways challenging time. We had many wonderful conversations around the fire and on our way...

We have difficulties in ministry... Unfortunately, some of our young people and their family going through different struggles and it challenges their faith and their loyalty to Christ and His calling... Please pray for the Lord's guidance in their lives and protection of all of the false teachings...

We were very much blessed by our sister Shanna Visagie, she is now visiting her parents in SA. She is such great help in many many ways, as teacher of English, as a musician, and as an encourager to many young folks in our church... Just three days before she departed we had an Evening of Praise & Worship, it was amazing. She has become a part of us, as part of our spiritual family. At this stage, it feels like she was always with us...

Our plans. We plan to do some more hiking and camping tours in our Carpathian Mountains. In addition, we plan for August two summer day camps. Chicka Boom Camp – for those kids who want to study English. Zhoodo Pai (Living Water (in Gipsy)) Camp for Roma children...

In June we were blessed with opportunity to go on vacation to Hurgada, Egypt. We spent there 7 days as family. Our kids were extremely excited...

Please pray for our family. We need wisdom and strength in serving the Lord. The Lord has laid on our hearts to adopt a child. His name is Volodimir. He is almost three. His mom is from Rakhiv, she is dying from cancer. If her relatives will agree. There is a father, but he is strongly addicted to alcohol...

Dearest ones thank You for Your prayers and care that the Heavenly Father has blessed us with through You... Blessings and greetings to everyone who knows us.
